Hello, my name is Jim Pinkoski….

I am a Christian artist/cartoonist, and I have worked for many years on 3 important ministries:

#1) My ART

I have done 7 major books for www.AmazingFacts.org — over the past 30+ years they have sold a half million copies.

#2) My work for the late RON WYATT

I met RON WYATT in 1989 and I spent 10 years working with him, which included managing Ron Wyatt's 1st museum in 1994-1996 — and since Ron's passing in 1999 I have continued working with his extremely important biblical discoveries. Millions of people around the world have been seeing these discoveries!

#3) My BANKING SOLUTION

Read about it at: www.TheBankingSolution.com

A Very Important “Coincidence”:

In 1993 I drew the Ark of the Covenant for RON WYATT…

At the very same time that Ron was finding the Ark of the Covenant in 1981/1982, I was working as a bank teller and GOD impressed me with the solution to America's banking system…

These were happening AT THE VERY SAME TIME!!!
