A Biography of Jim Pinkoski

My “Batty” Wife . . . <grin> . . .

Well look at this, here’s a photo of my **“batty”** wife! HA,HA,HA — get it? Sandra’s standing in front of a bunch of **baseball bats** — get it?… (*Don’t worry, I do my fair share of driving her “batty” at times too — that’s what life is all about, isn’t it?…*) But here is something that we CANNOT joke about . . .

Sandra’s son Roger — in a Florida Prison

This is one of the biggest burdens that weighs upon my wife’s heart — her one and only son, **Roger**, has been **locked up in a Florida prison since 1991.** Sandra gave birth to Roger a year after she got married for the first time back when she graduated from high school in 1964 — and then her hubby joined the Army and went overseas and **abandoned** her! Sandra had to raise Roger by herself, with her parents’ help, and her 1st husband has *never* let Roger back into his life — (some people are real JERKS!) Roger married a girl he got pregnant in 1991, but 3-4 years later that woman drove him to having a breakdown — he committed

a major crime, and he got caught — the devil got him good….

Sometimes all you can do is “trust the Lord” — here is Sandra next to the portrait of Jesus at the **GC** that **Sister White** said most resembled the Lord she had seen in vision.

One of the things Sandra enjoys to do is **singing** — this is a **1990** photo of her singing with the **“Sabbath Rest”** group. That’s **Bruce Patterson** on the left (*he managed Ron’s museum in Nashville in 1995*) — they recorded 2 really nice songtapes before they stopped touring. Sandra used to sing in the **Florida Opera** years and years ago, and she has even sung in **Westminster Abbey** in England and she did a small song on stage at the **Kennedy Center** in Washington D.C. — she loves classical music, and she is NOT happy seeing “rock ‘n’ roll” sneak into our churches!

ABOVE: Isn't life strange? All the things we get to do over the years — there it is, a day "long gone," a **1970** picture of me (on the right) and my brother helping my Dad (on the left) do the cement for the patio in our backyard. *Over 50 years ago!* Amazing things, cameras....

1958 — my sister, my brother, and me!
